

WHAT The Fieldstone Leadership Network San Diego **Coaching Program** is a year-long peer-mentoring program that empowers nonprofit leaders to fully embrace their personal and professional growth.

WHY Coaching makes it possible for nonprofit leaders to better assess and develop their leadership skills through self-discovery, self-innovation, and self-management. The nature of our personalized coaching enables a leader to tackle senior management issues, while being challenged to take a next step in their role as a nonprofit and community leader.

WHEN The **Coaching Program** will start in January of 2023. Coachees will interact for 2 to 6 hours with their coach each month. While the program has a basic structure, the coachee can set their own agenda. The format and context of the coaching interaction will be reflective of a balanced style and comfort for both the coach and coachee in the mentoring process.

Each participant in the program must be able to attend the **Program Orientation on Jan. 11, 2023** and be available to meet with a Program Consultant on either **Feb. 15 or Feb. 16, 2023** at the Fieldstone Leadership Network San Diego office at 5060 Shoreham Place, Suite 350, San Diego, CA 92122.

WHO The **Coaching Program** is open to senior leaders who are graduates of a Nonprofit Leaders Learning Group*. The participants are assessed in their personal and professional goals, their present and future role within their organization, and their commitment to participate in the program.

The **Coaching Program** is facilitated by Fieldstone Leadership Network San Diego and features a team of coaches who have worked for years in the nonprofit industry and have experience leading a nonprofit organization as its Executive Director or CEO. They encapsulate a wealth of knowledge, experience, and wisdom from having “been there, done that.” They have lived through mistakes and have surpassed many challenges faced by nonprofit executives today.

HOW The **Coaching Program** includes:

- A network of past and present nonprofit executives, trained by Fieldstone to serve as peer coaches.
- Ongoing support throughout the year to nurture and sustain the coach-coachee relationship.
- A thorough coach-coachee matching process to secure the best outcomes of the coaching experience and a mutual learning process in an atmosphere of trust and respect.
- A 360-degree feedback assessment from the Center for Creative Leadership along with a one-hour session with a CCL-Certified Consultant to review the results and access to CCL Compass, an on-line resource library that supports the assessment experience.
- Access to and guided use of personal and professional self-assessment tools and goal-setting materials.

COST A nominal fee of \$900 per person is required to help defray the costs associated with the program. All other costs of the program, which is valued at over \$9,000, are underwritten by the Fieldstone Leadership Network San Diego and its funding partners.
